**Abstract.** Context {1-2 sentences}  
Major Research Gap {1-2 sentences}  
Proposed technique/ Approach {1-3 sentences}  
Contribution/Achievement of the work {2-3 sentences}

**Keywords:** First keyword · Second keyword · Another keyword

## 1 Introduction

{Paragraph 1 (Context): Area of research, current trends/ issues/ limitations, challenges to overcome etc.}

{Paragraph 2 (Research Gap): Need of the day, Research gap to fulfil the need, motivation of the work}

{Paragraph 3 (Scope and Objectives): Scope of work and objectives, What is the objective of this work?}

{Paragraph 4 (Proposed Approach): Overview of the proposed methodology}

{Paragraph 5 (Contribution of the work):}

{Paragraph 6 (Organization of the paper):} The rest of this paper is organized as follows. Section 2 provides an overview of the related work in the field of ROI extraction from fingerprint images. Section 3 describes the proposed approach in detail. Section 4 presents the experimental results and analysis. Finally, Section 5 concludes the paper and discusses future work.

## 2 Related Work

{Explain the reason for doing this work, why is this problem important}

{How was it done in the very beginning}

{How much work has been done since then}

{What are the research Gaps}

{How this work is different from the existing work}

{Background for the proposed work}

### 3 Proposed method

{What problems(s) have been addressed in this work?}  
{Overview of the proposed approach (try to put graphical abstracts)}  
{Sub-section-wise detail description of the substeps involved.}  
{What is the problem and what is its input}  
{How have you solved the problem?}  
{Why have you proposed this solution?}

### 4 Experimental Results

{Detail design of experiment/setup/protocols/subjects/data collection/ or a detailed description of the used datasets}  
{Objectives of the experiment/what do you want to prove/substantiate?}  
{Experimental Environment, with a link to code/data repository}  
{Result vis-a-vis experimental objectives with proper tables, graphs, plots, etc}

### 5 Conclusion and Future Work

{Novelty of the work}  
{Mentionable achievement/breakthrough}  
{Research application/potential}  
{Claims if under some assumption}  
{Limitations of the work}  
{Future scope or Future work}
